## **Terms & Conditions**

### ***Terms***

1. Settlement will be made the day of the sale by both seller and buyer signing the "Contract for Purchase of Livestock" Document.
2. The settlement will be based on the information stated in the catalogue and/or corrections from the auction stand, and payment will be made within the legal requirement under the Dealer's Act and determined when delivery is taken of the animals.
3. It is the seller's responsibility to ensure that all animals have Government regulated identification tags and that all documentation is provided to the buyer. (i.e.: RFID tags)
4. Buyer agrees to a buyer's fee applied to the purchase price of all cattle at the rate of 1.5% for calves and 1% for yearlings, unless otherwise stated.
5. Seller agrees to pay all government deductions (i.e.: Brand Inspection, A.B.P, Livestock Security, and Insurance), plus a clearing charge of \$3 per head manifested on delivery day.
6. +/- is defined as no more or less than 10% over or under the stated head count.
7. Cattle that are considerably heavier or lighter than the base weight, may need to be renegotiated by a sales Rep at the time of delivery to assure cattle pricing is fair based on video sale day pricing.

### ***Responsibility & Expense***

8. Buyer and seller agree to fulfill any and all contract obligations regardless of a fluctuating cattle market.
9. On the day of delivery of the cattle, the seller and a S.A.L.E. representative will be on hand to witness the weighing of the cattle.
10. Contact a S.A.L.E. representative for further information regarding any cattle requiring export testing and documentation.
11. All lots consigned through Stettler Auction Market will be lifted and processed by Stettler Auction Market Representatives.

### ***Liabilities***

12. Any person attending the sale does so at his/her own risk. The sellers, sales committee, sale personnel and attendants assume no liability, legal or otherwise, for any accidents that occur.
13. The sellers, sales committee, sale personnel, and editors will not be held responsible for errors or omissions that may inadvertently appear in the catalog, posters, or website.

### ***Offsite Bidders, Sale Conditions***

14. Bids may be accepted from the floor or by phone the day of the sale.
15. The auctioneer has complete charge of the sale, and in case of a dispute in bidding, his decision is final.
16. All announcements made from the auction stand will take precedence over the printed matter in the catalogue.
