Lot #: 16B Head: 88 +/- Steers Consignor: Dry Fork Ranch – Pincher Creek, Alberta

Cattle Location: Tower Feedlot, Pincher Creek, Alberta

Delivery Date: March 14 to 15, 2017

Base Wt: 875 **SELL ON LIVE WEIGHT** Wt Range: 825 to 985 Shrink: 4% Slide: N/A Quality: 100% good

Frame: 30% medium, 70% large Flesh: Medium F.O.B: Feedlot

Weighing Conditions: Weighed on ground in AM of sale off empty bunks after sort Scale Location: Feedlot

Dominant Breed: CharX/SalerX Color: 55% red, 45% tan

Feed: 10% barley, 20% pellets, 10% hay, 60% silage

Health: Bovi-Shield Gold One Shot, Vision 8 Somnus

Comments: These steers come from two ranches, with 1 set of CharX steers and 1 set of SalerX steers that will perform for you! There is more than one load, however it works perfect for back hauls from Washington! Lester will contribute \$500 for trucking for the overage in weight.
